

HEXATECH	QMS Document Distribution List	Issue No.: 1	Document Effective Date: 01 Mar 2017	Page 1 of 1
		Revision No.: 0		Document Ref: QSA-REC-QDDL

The below mentioned QMS document holders are authorized personnel to be issued with full or partial "controlled" copies of the QMS documents (if it is required to be printed as hardcopies from the HEX ISO Website). The ISO Manager (IM) may extract any section or appendix of the "controlled" copies of these documents from the HEX ISO Website as deemed required to any other authorized personnel (to be listed below). The issue and distribution of full or partial copies of the QMS documents or its sections are recorded and controlled as per the Document Distribution List maintained by the IM. All recipients are provided with future amendments and revisions to these Manuals.

Reproduction of these QMS documents in any form is not permitted unless so authorized by IM. Document control procedures shall be effected for all such reproduction.
